

**FINANCIAL AID FORM
2023-2024 SCHOOL YEAR**

NOTE: Full tuition does not cover all of the expenses of the school; therefore, the amount of Financial Aid available is limited by the number of GA Tax Credit donors that select Al-Falah Academy for their tax donation, as well as the amount of Sadaqa that the school receives.

Al-Falah Academy believes that every family should contribute to the tuition even if approved for financial aid. No 100% discount will be given.

REQUIRED: Along with this completed form, please attach paper copies of the past 2 years of Federal Tax Return Forms (2021 and 2022). If you applied for Financial Aid in 2022-2023, please include only the 2022 Tax Return.

IMPORTANT DEADLINES

- The application submission date will be the date when all documents are received, including financial aid and all supporting documents. This will impact the prioritization of applications.
- Financial aid applications will be accepted until the cap is reached (A likely possibility by March).
- Decisions on financial aid will be made within 45 days of receipt of all forms, fees and supporting documents.
